

About the job

Job Title: HTML/CSS Developer Intern (Full-Time, Remote)

Company: SAZ India

Location: Remote

Employment Type: Internship – Full-Time

Stipend: Up to ₹25,000 per month

Start Date: Immediate

About SAZ India

SAZ India is a Bangalore-based IT services company that provides top-notch solutions in software development, website design, data analytics, and API services. We are dedicated to helping young talent gain practical exposure through innovative projects and skill-building opportunities.

Role Overview

We are looking for a creative and detail-oriented HTML/CSS Developer Intern to assist in the development and maintenance of responsive and visually appealing websites. This internship offers hands-on experience working with modern web development tools and real-world design projects.

Key Responsibilities

- Assist in converting design wireframes and mockups into responsive, mobile-friendly web pages using HTML5 and CSS3.
- Collaborate with front-end and back-end developers to ensure seamless integration of designs.
- Optimize web pages for maximum speed and scalability.
- Maintain and improve the design and functionality of existing websites.
- Troubleshoot and resolve front-end issues, ensuring cross-browser compatibility.
- Create and update web design documentation as required.
- Learn and implement best practices in web accessibility and usability.

Requirements

- Strong understanding of HTML5, CSS3, and responsive web design principles.
- Familiarity with front-end frameworks (Bootstrap, Tailwind CSS) is a plus.
- Knowledge of JavaScript basics is an advantage.
- Attention to detail, creativity, and problem-solving skills.
- Ability to work efficiently in a remote environment and meet deadlines.
- Must have a personal laptop/PC and stable internet connection.
- Recent graduates or final-year students in Computer Science, IT, or related fields are welcome to apply.

What We Offer

- Monthly stipend up to ₹25,000.
- Hands-on experience in front-end web development.
- Mentorship from experienced developers and designers.
- Certificate of Completion & Letter of Recommendation.

- Opportunity for a full-time position based on performance.
